Geoffrey Smith

It is with great sadness that we have learned of the death of Geoff Smith.

Geoff was the Chairman and principal organiser, together with his wife Evelyn, of Age Concern in Heathfield from 1990 until ill health to himself and the sudden death of Evelyn in 2010.

During those 20 years Geoff grew the minibus service from a one-day a week shopping trip, using an old second hand converted ambulance, to the comprehensive services that we run today. He also started the car service.

On top of this Geoff and Evelyn found time to maintain a library of pamphlet information, initiate, support and organise outings and lunches for seniors and deal with individuals who found difficulty accessing other services or simply filling in complicated forms. Geoff began, wrote on his old typewriter and distributed all editions of this Newsletter.

Perhaps lesser-known facts about Geoff are that he played Cricket and Rugby for Kent. Two of his famous cricketing teammates were Colin Cowdrey and Godfrey Evans. He scored 728 first class runs and took 165 first class wickets and he was captain of Canterbury RFC from 1951 to 1958. Geoff was a very active supporter of Heathfield Cricket Club for many years.

In Geoff's working life he was a professional Heating and Ventilation Engineer. He worked on a number of prestigious projects including the iconic Shell administration building on the Thames, the historical Canterbury Cathedral and even more famous, the construction of the Sydney Opera House where he was the overseas Managing Director for the contractor, Haydens.

Geoff was thorough, passionate and dedicated in whatever he did. He had a calm, considerate and generous personality with great gravitas in public settings. Geoff has rightly become what might be termed the 'father figure' of our organisation and he leaves the legacy of all that is right about attitudes towards and how to conduct a voluntary public service.

We, on behalf of all of Heathfield, say not only a sad farewell but also a very big thank you.

MH

The Car Service: An urgent request.

Users of our Car Service need to be reminded that all our services are run entirely by volunteers. We have no paid employees and all our administration is conducted from home.

The day-to-day demands on our Car Service, in particular, can be incessant. It is often not realised that just one request can generate several phone calls to find out if a driver is available and then to confirm the request. It does not take a mathematical genius to calculate how many calls have to be made if up to 10 journeys are requested on a single day. (Now calculate that for the 1400+ requests made each year!)

We therefore ask you to limit your calls to weekdays only, to leave clear and short messages on the answer-phone indicating who you are, the journey you require and a phone number to call back. Also, please do not expect an immediate answer. Organising drivers is done towards the end of each day and into the evening when people are at home. The expectation that someone is always there to pick up your call is too much to ask of any one person doing the organising!

Please may we also post a further reminder that we are not a taxi service that operates from a fully manned office and that we need a minimum of 48 hours notice to be sure that we can cover essential appointment journeys. The more notice that you can give the better.

.Taking care this winter

A few weeks ago one of our passengers sustained a nasty injury after being delivered to the Union Church lunch. She fell, broke her pelvis and was admitted to hospital.

It is a timely reminder that we all need to take care and particularly through the winter months. We all wish that we could be young again and sometimes our misguided youthful self-image does not match our declining physical ability!

So, the message is to exercise caution, ask for help, particularly when trying to negotiate slopes or steps and use a walking aid if you have been advised to do so. We will accommodate these on all our services.

Donations

A special bike ride

Rita Dingwall and her trusted bike Evie cycled from London to Paris in

July of this year to raise funds for 4 charities and to celebrate her 60th birthday in a memorable way! Rita's mother Helen Stonestreet made a special request for Rita to raise funds for the local Age Concern charity. Helen was a seasoned traveler in the minibus that is provided by Age Concern (Heathfield & District) and the shopping trips were the highlight of her week.

Setting off from Crystal Palace, Rita covered 300 miles in 4 days, along with 115 other cyclists all raising money for many charities. Rita commented that it was a pleasure to raise money for such deserving charities, particularly Age Concern who devoted so much time and resources to the local community and in particular her mum. The highlight of the trip was cycling into Paris with horns blaring and beating Chris Froome to the Arc de Triomphe by 24 hours when he completed the Tour de France!

We are enormously grateful to Rita for all her effort. The ride raised well over £1000 just for us.

Rita at the conclusion of her trip in Paris.

The Cooperative Community Fund

We are delighted to announce that we have been selected as one of the local charities to benefit from the Cooperative Community Fund.

This scheme is connected to the Coop membership card and every time you buy Coop branded items or a service 1% of the profit is donated to the locally chosen good causes. All holders of membership cards in Heathfield will be automatically donating and the total will be shared equally between the nominated charities unless you ask specifically to have your donation directed to one charity in particular.

If you would like to help us grow our share of the final distribution, please either go on line (coop.co.uk/membership) or telephone 0800 0234708 and register your wish to support Age Concern Heathfield & District.

You are able to see our share grow each week by looking at the totals posted on the information boards opposite the checkouts.

The scheme runs right through until the 28th of March 2017. So please support us, tell your friends to register and to donate to us as well.

Donations and Legacies

We are sometimes asked how donations and legacies might be made to us.

In terms of legacies we are not in a position to advise on this. The financial circumstances for each individual will be different. We therefore recommend that legal advice be sought as to the proper way to leave a legacy.

It is much easier to make a donation. The simplest ways are to either give cash, for small amounts, write a cheque or request a bank transfer; we can supply our bank details to anybody who wishes to donate this way. We will always provide a receipt.

We have recently registered for Gift Aid so that we can claim tax relief on any donations that are made. If you wish help us increase any donations that you make we will make a Gift Aid form available for you to sign.

The important thing to remember when either donating or making arrangements to leave a legacy is that it is made in favor of Age Concern Heathfield & District, to distinguish us from Age UK. Legacies, in particular, made out to Age UK and given with the intention of benefiting us is likely to be legally contested by Age UK and with an outcome that might not accord with your wishes.

If you have any doubts about the best way to support us then please feel free to seek our help.

The Annual General Meeting

Please note that our next AGM will be held on the 24th January 2017 at 7.30pm. It will take place in the Coffee Lounge of the Union Church in Station Road, Heathfield.

The agenda will be available prior to the meeting on request.

This is an open meeting where members of the public are invited to attend.

This Newsletter

Looking ahead we will be regularising the future publication of this Newsletter. The three editions each year will be – Spring (March/April), Summer (July/August), Winter (November/December).

Deadlines for contributions for each edition will be at the end of the first weeks of March, July and November.

An error in our last edition

On the back page of our last edition the contact telephone number for Minibus Transport had an additional and unwanted '8'! It should be (01435) 866960.

A Christmas Party for Senior Citizens

Something to make you smile

Two little boys were known troublemakers, stealing everything they could get their hands, even from the church. One day a priest stopped one of the boys and asked, "Where is God?" The boy shrugged and the priest repeated, "Where is God?" The boy ran out of the cathedral to his home where he hid in a closet. Eventually his brother found him and asked, "What's wrong?" The crying boy replied, "We're in trouble now! God is missing and they think we took him!"

Car stolen right in front of the owner in Heathfield

On Wednesday 16 November, a woman who had parked her car in the car park behind Whole Foods in Heathfield's High Street, was nearly run over by the man who stole it from her. She was just about to drive out at approximately 10.30am when he flagged her down saying he could see fluid, possibly oil, coming from under her car. As she got out to check, he jumped in and started up the car. She tried to block his path by standing in front of the car and banging on the bonnet, while shouting for help. But he inched the car forwards till it made contact with her and in the end, she had to stand aside and he drove off.

The man was described as being of a stocky build, about 5'10" and with black curly hair, possibly aged about 45, swarthy and possibly unshaven. He was dressed in dark clothing with a beany hat pulled down low to cover his face.

The car he stole is a black Ford Focus Ghia with the partial registration number **P --- SVG**. Unfortunately, when the car was taken, there were also credit cards, house keys and other items of importance inside.

Residents are being urged to be on their guard against this crime whereby drivers are flagged down on any pretence with the aim of stealing the car. If you do have to stop and leave your car even for a very quick reason, never leave the keys in the ignition, nor any valuables in the car. If possible, lock the car doors as you get out.

Witnesses to this incident, or anyone with any information in relation to it, are asked to contact us via 101 by phone, or email 101@sussex.pnn.police.uk, and quote reference 365 of 15/1

Alternatively you can contact the independent charity **Crimestoppers**, anonymously, on **0800 555 111**, or online at www.crimestoppers-uk.org
