Other news:

On 14th October a number of members helped with the Heathfield & District Bonfire Society as marshals for their march through Heathfield.

On 21st October we had to cancel our stall at the market at the Co-Op car park, due to terrible weather and high winds, which was a good decision as we checked later and there were hardly any people there.

Good attendance at the pub night on 23rd October but no pictures to share this time, probably due to too much chatting and eating.

And, as you probably have seen, we had to cancel the shed day on 2nd November due to the horrible weather.

We have an ongoing issue with the roof of the workshop, with a leak in the rear corner. One contractor has already been and we have another coming to give us a competitive quote and we hope to have it fixed soon.

Finances are still looking good and we hope for good sales in the run-up to Christmas, in addition to the commissions that we already have to complete.

If any HMS Shedder wants to join the HMS WhatsApp group, please get in touch with Bob Curtis, our Treasurer.
